

## Shepherd's Corner

Dear Parishioners,

Be doers of the word and not hearers only.

God love you, — *Fr. Rob Novokowsky, FSSP*

The free standing confessional is coming along. The interior is now almost finished. The operating principle of its design is that Confession, as one of the seven sacraments, is one of the most beautiful things on earth. Spiritual beauty is of the highest order. The physical environment in which a confession happens, while irrelevant in the short term, is vitally important for the long term. *Lex credendi; lex orandi.* Physical beauty is a symbol of the spiritual beauty.

**Right:** The oak floor is being glued up (left-over flooring from the sanctuary remodel 10 years ago.) **Below Right:** the walls going up. **Below left:** The interior features a wide retractable kneeler, s strong arm rest, a big screen, a window for natural light, 3" padding for sound (not insanity).
